Emie and advisor from FCCLA

Emie and her advisor from FCCLA came to the meeting to discuss doing a fundraiser for the FCCLA. They would like to do a market/car show. They would like our help with it. Some ideas they had are:

-Car show

-Vendors and craft vendors

-Have the Blue Reign band play

They were wondering if they could use our insurance for the event, what kind of security they would need (if any) and how to do vendor contracts.

We discussed doing a soft opening this year with just food, cars and the band during the last weekend of April or May or 1<sup>st</sup> weekend of June.
